Dear Ms. Clayton:

This letter is to thank you for presenting to my DISC 7397 – Enterprise Resource Planning class tonight, Wednesday March 30, 2005.

This is a graduate MBA class offered as an elective course in the Operations Management track within the Decision and Information Sciences (DISC) Department of the CT Bauer College of Business.

Outside speakers such as you bring a wealth of knowledge and experience into the classroom, and I treasure the experience that you have shared with me and with my students tonight.

Thank you very much for taking your valuable time to come here to the University and share with me and my students. All of us have benefited greatly from listening to you.

Sincerely,

A handwritten signature in blue ink, appearing to read 'COP'.
